## Using Aesop Successfully

### Proactively fill your schedule\*

Aesop offers you the flexibility to proactively search for jobs and fill your own schedule the way you want. To help you benefit most from automated substitute placement, Aesop offers you both phone and web services for finding and accepting jobs. Substitutes can call in to Aesop toll-free at 1-800-942-3767 or log in online at [www.aesoponline.com](http://www.aesoponline.com).

### Manage your preferences

With Aesop, not only can you plan your schedule ahead of time, but you can also choose Non-Work Days, specify preferred schools\* and adjust call times to fit your schedule. You can also view work history and receive phone and e-mail notifications of available jobs.

### Find out about available jobs

Aesop notifies substitutes of available jobs they qualify for. Most employee absences are entered the day before the absence occurs, but they can enter their absences very far in advance. Depending on the district's settings, substitutes can discover available jobs days, weeks, or even months in advance.

Aesop can alert substitutes to new jobs through both phone and e-mail\* services. Substitutes can then choose to accept or reject the assignment.

- **Non-Work Day** – days/hours you have indicated you are unable to work
- **Working** – jobs for which you are scheduled to work

## View My Schedule

On your schedule, you can view your assignments in three ways:

- Weekly schedule
- 3-month calendar view
- All absences scheduled for the current month

Click on a numbered day in the 3-month calendar view, and the weekly schedule will change to that week.

Use the **Change Date** drop-down window to review absences further in the past or future.

The screenshot displays the 'Weekly Schedule' view for the week of 1/4/2010 to 1/8/2010. The schedule shows assignments for Monday through Friday, with time slots from 7:00 AM to 4:00 PM. Absences are indicated by blue blocks with 'CONF#' and 'Cancellation' labels. A 'Non-Work Day' is shown on Friday, Jan 8, with a 'Dr. Appointment' from 8:00 AM to 4:00 PM.

On the right side, the '3-month calendar view' shows the months of January, February, and March 2010. A 'Change Date' window is open, allowing selection of a specific date. A bracket indicates that this view covers the 3-month period.

Below the weekly schedule, a table lists 'Absences scheduled for the current month' for January 2010:

## Preferred Schools\*

You can choose the school(s) where you are willing or unwilling to work. Click **Preferred Schools** on the action menu of your home page.

First, determine how you want Aesop to use this list. In the header, you can choose to tell Aesop that you're creating a list of schools where you DO want to go or a list of schools where you DON'T want to go.

Preferred Schools Header

Then click **Apply Changes**.

 **By default, your list will be marked "Do not show me..." with no schools listed below. This enables you to be available to work at EVERY school in the district. If you do not want to restrict the schools you are available for, do not touch these settings!**

If you would like to create a list of schools you do or do not want to work at (as selected in the header of this setting), click the [Add Schools](#) link.

Check the box under the "Selected" column next to the school(s) you wish to select.

Uncheck the days you do not wish this to apply (if necessary).

Click **Apply Changes** to save.

Click [View Current Schools](#) to view your list of preferred schools.

## Choose Your Header Wisely

Remember, Aesop will use the schools on this list according to the way you set up the header from the first step above. For example, if the list contains one school, then that school is either 1) the only school where you **will** go, or 2) the only school where you **won't** go, depending on which option you selected in the header.

## Phone Services

### Answering an Aesop call

When Aesop calls, your Caller ID will probably show 1-800-942-3767. Occasionally, it may display a school district name, depending on how the phone company handles the 800 number. The important factor is the number. If the phone number is Aesop's 1-800 number, it is a call about a job in a district you work in.

Answer the phone with a "hello." You must speak into the phone. Aesop is voice activated and will hang up if it does not detect your response.

If you hang up on Aesop, or if Aesop gets your answering machine/voice mail, the system will wait at least an hour before calling you back.

### Listening to the notifications and available assignments

After you answer the phone, Aesop will say: "Hello, I am calling for (your name). If you are interested in a job today, please press **1**. To prevent further calls today, please press **2**. If the substitute that I'm trying to reach is unavailable, please press **3**. To prevent Aesop from ever calling you again, please press **9**."

Press the appropriate key in response, in this case, press 1 to hear about the job(s).

Aesop will then say: "I'm calling on behalf of (school district), for an assignment at (school). Please enter your PIN Number, followed by the # key."

After you enter your PIN and press the # key, Aesop will play any Substitute Notifications, such as canceled absences and changed start or end times.

For each available assignment, Aesop will provide the details, including the number of days of the assignment, the school name, the name and title of the absent teacher, the start and end times and the room or office to report to.

### Responding to the offer

After you have heard the details of the assignment, you will be prompted to choose **1** to accept the job, **2** to hear it again, **3** to reject it but allow further phone calls, or **4** to reject the job and prevent more calls that day.

If you accept the job and no other substitute has accepted the job in the meantime, Aesop will read the Confirmation Number. If you reject a job, Aesop will still call you back, even within 15 minutes, if other jobs need to be filled.

**NOTE:** Aesop will not leave details of jobs or notifications it was calling you about on an answering machine/voicemail. If you miss a call, you can always call right back into Aesop and hear that same information if it is still available at the time you call back in.

#### Notification Confirmation

**NOTE:** No phone notifications are sent if a day is "closed" within a multiple-day absence (even if it's the first day). This most commonly happens when school is closed due to weather (i.e. Snow Day). If school could possibly be closed due to weather, it is **your responsibility** to check your local news sources for information on whether or not you should report for your job that day. Aesop will not necessarily be up-to-date with this crucial information.

### Phone Notification\*

Aesop can call you when you are completely removed from an absence. These calls are typically placed in the evening up to 2 nights in advance, but these calls can take place in the morning if you are removed from an absence that starts that same morning. **Phone notifications are ONLY placed when you are completely removed from an absence. Phone notifications are not made if the job is modified.**
