

5/19/2011

Dear Substitute Teachers and Paraprofessionals,

The St. Tammany Parish Substitute Training sessions are being offered to substitute teachers and/or paraprofessionals who have already completed the mandatory 8 hour training and are active in our system. They will be offered at the Jefferson East Bldg., 227 N. Jefferson, Covington, La. All classes will be from 9 a.m. to 3 p.m. Please call Rebecca Becnel at 985-898-6476 or email rebecca.becnel@stpsb.org to register.

Classroom Management

August 3, 2011 November 21, 2011

Substitutes learned five skills for effective classroom management in the mandated substitute teacher training. Need to fine tune those skills? This workshop is designed to further discuss strategies to respond to certain scenarios in the classroom and promote positive behavior support. You will learn positive, proactive guiding principles and skills that have been proven successful in making the most of any situation.

Alternative Programs and Special Education Services

February 24, 2012

This workshop will include information about our alternative programs and Special Education service locations, instructional tools and research to engage students with different learning styles and those that need additional support services. Behavior management, problem solving techniques, accommodation and modification strategies for children receiving these services will be discussed.

Teaching Strategies

October 7, 2011 April 2, 2012

Have you ever had difficulty teaching the lessons left by the permanent teacher or wonder what to do when told "review with the students"? Teaching Strategies will focus on presenting lesson plans, while enhancing confidence and ability to teach by accommodating individual learning styles.

Please bring your Substitute Teacher Handbook to the training classes.
